

SnowKidz Shred Parks

presented by

INTRODUCTION

The SnowKidz Shred Parks are a tool which can be used by any ski and snowboard school, ski resort, tourism organisation infact anyone into snow sports to bring children to the snow. The Park can be set up in either summer or winter. Best of all each Park is delivered free of charge and the recipient gets to keep the materials.

SNOWKIDZ SHRED PARK ELIGIBILITY CRITERIA

Each season *one* SnowKidz Shred Park will be produced. Recipients must fulfil the following criteria to be eligible:

1. The recipient must complete the official application form. This can be found on www.snowkidz.com.
2. The recipient must be a registered SnowKidz Organiser for at least 1 year.
3. The recipient must have staged multiple SnowKidz events. These events must be registered in their SnowKidz account.

SNOWKIDZ SHRED PARK SELECTION CRITERIA

To determine the recipient of the SnowKidz Shred Park, FIS along with the partners will be asking the primary question of “has the applicant been active in bringing children to the snow?”. To determine this FIS and the partners will be examining:

1. How many events and actions has the organiser registered in the past.
2. If the applicant has registered events and actions for the future.
3. If the applicant has submitted reports from their past events.
